## FOND MEMORIES from ST. XAVIER'S

## Natalie McCaughey McKenna - Class of 1949

I spent 4 years at SXA and accumulated many memories, all of which I recall from time to time with such pleasure.

The first memory is of the day I came to St. Xavier's after 8 years in the public school system. I wanted to graduate from Junior High with the kids I had gone to school with for all of my young life, but my father insisted that I start in the 9<sup>th</sup> grade at SXA. I was alone and a little apprehensive about how I would be received. My fears were quickly replaced by a warm feeling of acceptance from the friendliness and camaraderie that was shown to me from all grade levels.

Through the years I have fond memories of Sister Mary Emily, my first homeroom and Latin teacher with whom I loved and kept in contact until her death. I remember Sister Mary Sienna and Sister Mary Laurene, who also taught Sunday school at St. Agnes Church, Sister Mary Othilda, Sister Mary Celestine, and Sister Marie Anna. I recall Sister Mary Concepta, who gave me a set of 8 points to follow for building a strong Christian character that I observe to this day. There was Nick, the gardener. I can still smell the sweetness of the newly mowed lawn as he cut the grass in the quadrangle. I loved to walk in the courtyard of the convent, stopping before the statue of the Blessed Mother to ask for help with an exam or two or say "Thank you!" for a favor received. I remember all the sister 'Xavierites' who shared classes with me, the Ave Maria Choristers, the dances, and the plays. I also recall my changing from oxfords to loafers and putting on lipstick at the end of the school day. I remember the stop at Gibsons for a vanilla coke.

I do have more memories of wonderful experiences and many others who touched me either by their teaching or interaction. This is what molded me into the person I am..... I could go on and on.

*Nat has served as a Past Treasurer and has volunteered numerous hours over many years on the Board - Thank you Nat!*

**Mary Lou McHugh Clark - Class of 1950**

Mary Clark is very grateful for the values she learned at St. Xaviers. She refers to herself during those years as 'very quiet'. She recalls how she never made it to Gibsons, the popular after school 'hangout' of the time. After school she went to work at the Butter & Egg Store on Westminster Street. Following graduation, she continued to work there until getting married.

She recounts the story of how she met her husband of 59 years. She was on a bus with two best friends headed to the Crescent Park ballroom when they met a couple of sailors going to the same place. Following that first dance with one of those sailors, they married on June 16, a year after her graduation from SXA. They were blessed with two boys and two girls, now aged 57, 55, 54, and 52.

Mary beams with gratefulness for the influence of SXA. Like so many others, she is thankful for those who helped her parents put her through the school. Mary's blessings continued as her husband went on to become President of The Prudential Insurance Company. They have resided in California for the last 25 years, with their children and 8 grandchildren living nearby. She attributes much of her blessings to decisions guided by values learned at SXA. Mary's generous annual support to the Scholarship Fund for Catholic high school students is greatly appreciated. This is her way of continuing those fine values she learned at St. Xavier's.

*Thank you Mary Lou McHugh Clark!*

**Dorothy Feeley Morin**  
**(May 6, 1920 – April 17, 2006)**  
**Class of 1938 ~ St. Francis Xavier Academy**

**IN MEMORIAM**

Dorothy was a dedicated member and past Treasurer of the St. Xavier Alumnae Board. Through the years, she gave numerous hours and support helping with school events such as fashion shows, dances, and other special activities at both the Broad Street Academy and the Coventry school.

Following her graduation from St. Xavier's, she received a Bachelor of Science Degree in Accounting from Bryant College. Being a lifelong learner, Dorothy followed that with a Masters Degree in Elementary Education from Rhode Island College and continued to take advanced courses at Providence College. She taught in Central Falls and the Providence School System where she retired after 20 years of teaching first grade at Webster Avenue School. She was a former Democratic Committeewoman in Cranston and a member of the Knights of Columbus, Cranston Council 1738-Ladies Auxiliary. She loved sharing stories of her travels all over the world. We will never forget Dorothy's vibrancy and genuine concern for the Alumnae Association's activities. The Alumnae board members affectionately remember her as a warm, kind, and fine gentlewoman who is an example of the character associated with so many who graduated from St. Xavier's. Her husband continues to honor her love for St. Francis Xavier Academy by donating an annual scholarship to a worthy Catholic High School student in her memory.

## CLASS NOTES

### **CLASS OF 1960 50th Reunion Committee News**

#### **How did they find all but 11 of their 215 classmates?**

Over a year ago, Kathy Arnone Toolan, Margaret Colicci Mathias, and Kathy Keenan Monahan began to invite other classmates to join their 50<sup>th</sup> Reunion Committee. The goal to locate all 215 classmates brought many challenges. But the use of up-to-date media increased the size of their group across the miles. They had many happy moments reminiscing, but also some sad ones as they paused to pray for 29 deceased classmates.

#### **Where are the ladies now?**

Nearly 100 of the 1960 class remain in Rhode Island. The others live in 20 other states, mostly in Florida and Massachusetts and one part time in Paris.

#### **How did they organize their Committee?**

You can locate many of the impossible to find if you have a 'private eye' like Joan Pyne Johnson on your committee. And how about Janie Sullivan George, the 'historian' who collected memorabilia from the day of graduation! You will get to see that at the 50<sup>th</sup> Reunion. They have a 'financial group' affectionately referred to as the 'Kathies,' - Kathy Arnone Toolan and Kathy Keenan Monahan, take care of finances and a planned luncheon. Margaret Mathias Colicci tracks the database and keeps close contact with the Alumnae Board. Ann Marie Cox McCann, Kathy Egan, Mary Parente Burgess, Ellen Vigneau O'Keefe, and Rena Ruggieri Lombardi patiently manage the gatherings. The group enjoys the laughter as much as the excellent dishes they bring to the home of Joan Pyne Johnson for meetings.

#### **How did SXA shape their characters?**

The 1960 class continues to carry on what they learned from the Religious Sisters of Mercy by helping people overcome roadblocks to living their lives with grace and honor. Although some are now retired, many became teachers and others entered healthcare and business. Even with their busy lives, they found time to give to their communities as Eucharistic ministers, religious education teachers, members of parish councils, and boards, raising money for philanthropies. They continue to offer their talents to their communities and those in need.

The 1960 Committee is doing an excellent job giving their classmates an opportunity to renew memories and attend their 50<sup>th</sup> Reunion on Sunday, October 24, 2010. They will make every effort to keep contact with classmates in future years. They are grateful to God, their parents, and teachers. They feel blessed to have graduated from St. Francis Xavier Academy.

**The Class of 1960 is still looking for: Barbara Bambick, Francis Carroll, Alice Coressel, Judith Cortelleso, Dorene Davis, Elaine Langloirs, Claire Latour, Mary Ann Paquin, Janet Resendes, Lucille Mello, Kathleen Sutcliffe. Please contact a '60 rep if you can assist in any way.**

#### **PLEASE SHARE YOUR NEWS FOR CLASS NOTES IN FUTURE ISSUES**

#### **Barbara Collin Andrews - Class of 1954**

Congratulations Barbara! It's not surprising that Barbara, a past President and faithful St. Xavier Alumnae Board member was Staff Member of the Month at Mount St. Rita's, where she has worked for 18 years. Prior to working at the Mount, she was a supervisor for New England Telephone (Verizon). She started her career at the Mount one day when she came to visit two Sisters at the centre and took on a part time job. Her 'titles' tell more than words can say. The Staff recounts that mail coming to the Centre over the years has been addressed to Barbara not only as Chief Executive, Operating and Financial Officer, Business, Mail, or Human Resource Manager, but also as Administrator! Her co-workers realize the gem they have in Barbara who holds herself to the highest standards of work ethics. They value her professionalism, flexibility in the toughest of situations, and passion for hard work. It's clear that Barbara has a Mercy heart demonstrated by the kindness, respect, and assistance she willingly gives to all. She truly and consistently responds to the needs of others. Barbara became an Associate of the Sisters of Mercy on May 17 1998.

Barbara Carlin Andrew's input regarding important matters and decisions on the Board has been and always will be requested and highly esteemed.

**Thank you Barbara!**

**Class of 1948**

**Teresa Heslin Mahony - receives URI degree at age 79 !**

Congratulations Teresa ~ You make us proud

A lifelong learner, Teresa believes that the three most important things in life are faith, gratitude, and humor. While keeping her nursing job, Teresa attended URI, majoring in History. As a student in her class said, *When she walked into the room it was like sunshine pouring in. She inspired those around her with her hard work, and enriched us with her wisdom. She showed all of us that you are never too old - nor too young - to go back to school.*

**Pictured (L) many years ago with her 12 children and (R) URI Graduation 2010**

**A Special Thank You** to all of our Board Members who give numerous, precious hours to the Executive Board. They are genuinely interested in the success of the Association, demonstrating appreciation for their blessings and the true meaning of humility:

*...Then He said to his host, When you give a lunch or a dinner, do not invite your friends or your brothers or your relations or rich neighbors, in case they invite you back and so repay you. No; when you have a party, invite the poor, the crippled, the lame, the blind; then you will be blessed, for they have no means to repay you and so you will be repaid when the upright rise again.*

**Luke 14:1, 7-14**

*~ Try to meet all with peace and love ~*

**The Venerable Mother Catherine McCauley**

**Sheila Monahan - Class of 1967**

**SPOTLIGHT**

Sheila Monahan has been a dedicated Alumnae Board member since graduating in 1967 from St. Xavier's Academy. Currently she is the Alumnae Board's Recording Secretary. As a past President of the Alumnae Association, Sheila also serves on the Advisory Council. She received her M.Ed. in Special Education from Rhode Island College in 1975 and pursued advanced studies thereafter. Sheila began her career as a Providence Special Education teacher, lending her expertise and loving care to children with a wide continuum of special needs. In the position of Diagnostician, she analyzed educational testing results for placement of children in the appropriate school settings.

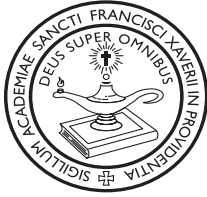

Her record of public service includes helping developmentally disabled adults in the Special Education Religion Ministry, co-chairing a Commission for Human Rights for Autistic youngsters, and giving numerous hours on the Advisory Committee of Butler Hospital for continued improvement of patient services. She was a volunteer Literacy Teacher at Dorcas Place. She currently gives support to families in crisis, facilitating a support group. She continues to apply her talents by being on call to teach classes at the Rhode Island Dept. of Corrections. Sheila is presently serving on the Criminal Justice Committee through the Mental Health Association of RI.

Sheila's long and notable record of public service won her the 2005 Volunteer of the Year Award from the Volunteer Center of RI. She was featured on the RIPBS program Rhode Island's Amazing Women for her work with incarcerated women.

*I realize the most important part of my education at St. Xavier Academy was our beloved Mercy Sisters' encouraging us to become strong, independent, and empowered young women. I am so grateful to my mom for sending me to SXA.*
