A Message from the President

Warm greetings to all St. Xavier Academy graduates from the members of the St. Xavier Alumnae Association Board. Board members have already begun preparing for Homecoming, our yearly celebration. It is a time of tradition and remembrance. It is a time to recognize all graduates but especially the class of 1962. This class has been working to bring all possible meaning and prayerfulness to the day. The Mass at Our Lady of Mercy Church is the perfect way to begin.

Come join us and many other Xavierites in recalling those important years of our lives when we studied and learned so that we would be prepared to take our place in the world. It is a time past but one which has had a profound impact on the women we have become.

When we acknowledge the integral part that our high school years played in our lives, we should also be aware that students in Catholic high schools are yearning for a fulfilling future too. The Association is committed to assisting students in their quest to have a good start in life, one that is formed and guided by Catholic teaching and traditions. Our scholarship fund aims to do just that. Your contribution to the scholarship fund will be a way of helping others pursue an education that will bring happy memories to them in years to come.

Hope to see you on October 28!
